I created this game to help kids K-3rd grade practice Dolche sight words in a FUN way! This is for your personal use. Please do not copy or host on you own site. You are welcome to share my blog ([www.livinglifeintentionally.blogspot.com](http://www.livinglifeintentionally.blogspot.com)) with whomever you like, but please do not link directly to the download. Thanks! Have fun!

## Bug Reading Game

- 1) Print off the list you need (Kindergarten, 1st, 2nd, or 3rd grade) on cardstock. Note: There are two pages per level. If you have more than one kid, print each grade level on a different color paper and the kids can all play together by only picking their colored bugs.
- 2) Cut out the 1" x 2" bug squares. I store them in our bug catcher I got at Target for \$1, but a ziplock or baby shoe box would work too.
- 3) **PLAYING:** On your turn you pull out one bug. If you read the word correctly you get to keep it, if not you put it back. If you get a bee - you get a STING and you 'drop' all the bugs you were collecting. You are back to zero bugs. It is now the next persons turn. You continue until all the bugs have been collected.
